The Power of Associations is the Power of America

American associations contribute in direct and significant ways to U.S. economic stability and societal advancement. They help build up vital industries, professions, workers, businesses and communities.

Associations Live at the Intersection of **U.S. Economy** and **Public Service**.

**Associations Nationwide**
- >60,000 associations¹
- >200,000 employees²
- >$53 billion in revenue¹

**Associations in Kansas**
- 446 associations
- 1,940 employees
- $130 million in wages
